

Guide to Planning Bathrooms and Kitchens

2015 Edition

This Guide gives basic advice on planning bathrooms and kitchens for people with specific needs, including ageing, wheelchair users, people with vision impairment, and children. Reference is made to Australian Standards.

The Guide will be sent in electronic format on a USB stick.

Please note you cannot print from the electronic version (read only).

If you have no access to a computer to read the file, or need a printed version, a black and white copy of the Guide is available upon request – phone Reception on 1300 452 679
